

COVID-19 Job Keeper Payment

31 March 2020

As we continue to implement safeguards that meet the Australian Government guidelines we wish to update you on our status and the more recent support packages announced by the government.

Business continuity – supporting you

Since our last newsletter we are successfully working at home. As mentioned in our previous newsletter our technology supports our people wherever they are located and this includes our telephone system, as such our main contact number remains as (03) 9783 4542.

Federal Government – Job Keeper Payment

Please see attached Fact Sheet

Main Points

- Employers will be eligible if your turnover reduces by more than 30% compared to a

comparable period a year ago (of at least a month).

- Eligible employees must be employed at 1 March and any casuals in your employment for longer than a year.
- Initially employers can register their interest.
- Claim will be from 30 March for 6 months.
- If an employer is eligible all employees receive \$1,500 with employer top ups if applicable.

Client Alert

Our monthly Client Alert is attached which provides a summary a summary of previously announced initiatives.

Stay well and take care
